**Summer School 2021**

The summer schools programme is open to secondary schools. The aim of the programme is to deliver a short summer school, offering a blend of academic education and enrichment activities.

Pupils leaving primary school in 2021 may have missed a significant proportion of key stage 2 face-to-face teaching and therefore missed valuable preparation for secondary education. They are likely to need additional support with English and maths, for example, to make it easier for them to access the secondary curriculum. Ian Ramsey CE Academy's summer school gives an opportunity to offer that face-to-face support before they start a new school in both English and maths as part of our **connect curriculum**.

Summer school also offered an important opportunity to support pupils' wellbeing. Ian Ramsey CE Academy included enrichment activities, such as team games, music, drama or sports activities. This is to support cultural capital pupils may have lost out on too. Pupils may not have heard as many words as they do on a normal day or read the books or been to the different places they might have otherwise. Some pupils won't have had access to a garden or other safe outdoor space during lockdown, so we wanted to offer these types of opportunities as part of our summer school.

Ian Ramsey CE Academy's summer school for our incoming Year 7, allowed our pupils have an opportunity to:

- build a community with their fellow pupils
- forge relationships with new teachers
- familiarise themselves with their new school environment

**Pupil Attendance:**

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
192	186	181	179	183

**Breakdown of funding expenditure:**

<b>Item</b>	<b>Cost</b>
