

YEAR 8

HOPE

LEARN:

- to reflect on our career aspirations;
- to use our aspirations to develop an excellent attitude to learning;
- to aspire to become a STEM ambassador;
- the importance of being a responsible member of the community;
- our roles and responsibilities as citizens of the United Kingdom.

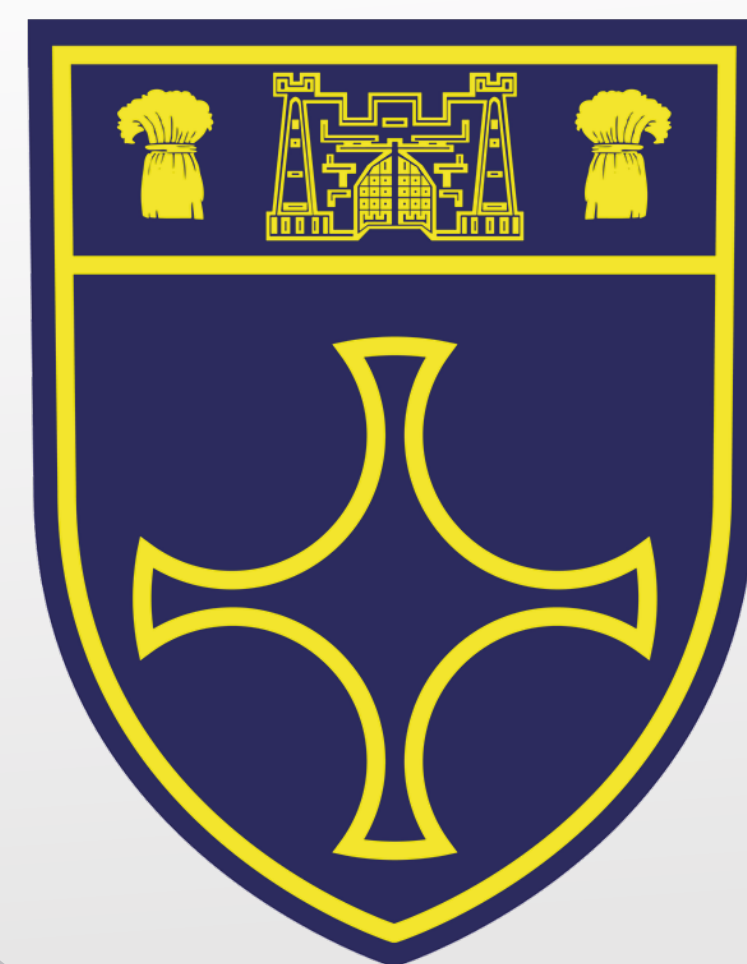

GROW:

- high aspirations;
- resilience and learn from our mistakes;
- strength of character and never give up;
- determined to improve despite setbacks;
- to understand that what we do now informs what we can do in the future.

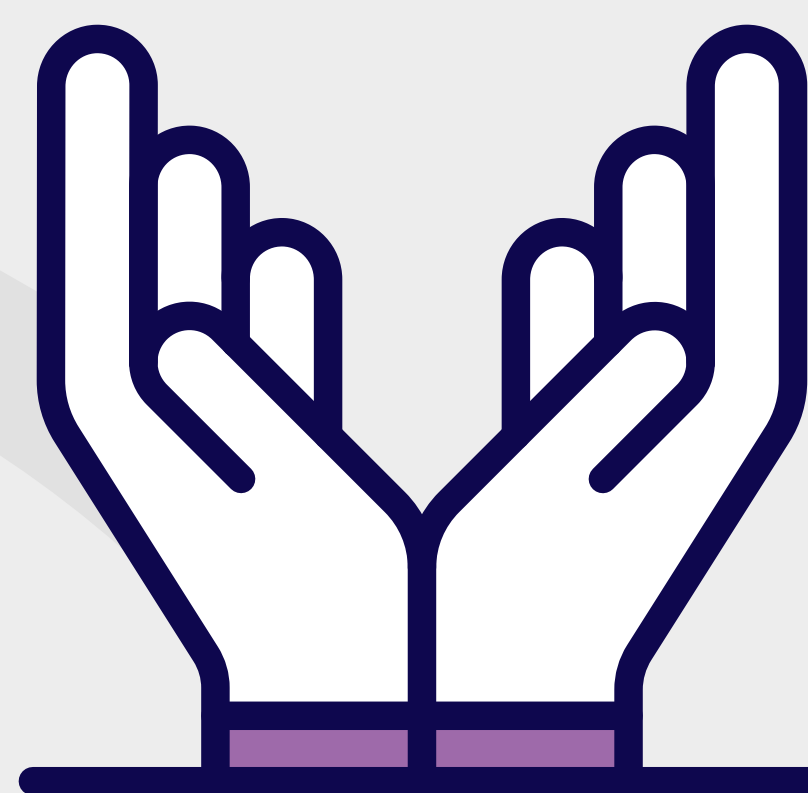

YOU WILL
LEARN:

YOU WILL
